

Cookie Policy

Last Updated: 27.11.2025

Introduction

Our website uses cookies to enhance your browsing experience and to help us understand how you use our site. This Cookie Policy explains what cookies are, how we use them, and your choices regarding their use.

What Are Cookies?

Cookies are small text files placed on your device (computer, smartphone, tablet) when you visit a website. Cookies are widely used to make websites work more efficiently, as well as to provide information to the site owners.

Types of Cookies We Use

1. Essential Cookies

These cookies are essential for the operation of our website. They enable you to navigate the site and use its features, such as accessing secure areas. Without these cookies, certain services you have asked for cannot be provided.

Cookie Name	Default expiration time	Purpose
cookieConsent	1 year	Stores viewer's decision on accepting cookies
i18n_redirected	1 year	Stores viewer's current language preference
local (fibUser)	indefinitely	Stores registered user's login information to maintain user login and navigation state. Contains email and generated token and id

2. Analytics Cookies

These cookies allow us to count visits and traffic sources to our website so that we can measure and improve its performance. They help us to identify which parts of our website are the most or least popular, and also allow us to track how visitors move around the site. Any information collected by these cookies is aggregated and therefore anonymous. If you do not allow these cookies, we will not have information about the use of our site.

We use **Google Analytics** to gain a deeper insight into how our users use our website. The information gathered is sent and stored in the USA on Google's servers. Google uses cookies to evaluate how you use our website, create reports about your activity and to offer

other services/products that you may be interested in. Google Analytics places both persistent cookies and session cookies.

All data collected through Google Analytics is anonymized and does not contain personal identifiers.

For more information follow this [link](#).

Cookie Name	Default expiration time	Purpose
_ga	13 months	Creates a unique user ID to distinguish visitors.
ga<container-id>	13 months	Stores session state and unique identifiers for a specific GA property.

Visitors' Consent

Initially, we obtain your consent before we collect or store cookies. This applies to all forms of cookies. However, we do not obtain your consent when cookies are only used as essential cookies that are necessary for the basic functions of the website to work. Via settings in the browser's privacy settings, you have the option to switch so that the browser does not accept any cookies. Please be aware that if you disable cookies, some parts of our website may not function properly.

Changes to This Cookie Policy

We may update our Cookie Policy from time to time to reflect changes in our practices or for other operational, legal, or regulatory reasons.
